

**INTERIM NOTICE**  
**IMPORTANT SAFETY RECALL**

THIS NOTICE APPLIES TO YOUR VEHICLE – SEE VIN IN APPENDIX A  
NHTSA RECALL NO. 24V559

Mr. Customer  
Transit Bus Agency  
260 Banker road  
Plattsburgh, NY, USA 12901

September 17<sup>th</sup>, 2024

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Nova Bus (US) Inc. has decided that a defect which relates to motor vehicle safety exists in certain Nova Bus models LFS and LFS Artic and Model Years 2019 to 2021 manufactured from July 2020 to June 2021 equipped with the Knorr-Bremse brake chambers.

The affected vehicles may have been manufactured with defective brake chamber on the rear axle. The emergency/brake piston seal may be leaking. A brake chamber leak could lead to brakes being applied unwantedly. An unwanted application of the brakes may cause the brake components to overheat, produce smoke and could lead to a wheel end fire. An unwanted and possibly rapid brake application could also lead to the bus stopping suddenly without activating the brake lights which may increase the risk of a crash and injury to standing passengers.

The service document explaining the measures to be taken to remedy the affected vehicles will be published on Nova Bus web site <https://us.novabus.com/customer-portal/>. However, the corrective measure is not yet finalized. We will notify you again when the remedy is ready. Nova Bus (US) Inc. will covered the parts and labour costs of the repair according to the warranty claim policies in effect. Federal law requires that you forward a copy of this safety recall notice to the lessee within 10 days.

After contacting your customer support manager, if you are still not able to have the Safety-Related Defect remedied without charge and within reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov> .

Safety is important to us, and we apologize for any inconvenience this situation may cause. Thank you for your attention to this important matter and we look forward to remedy your vehicle. If you have any questions regarding this Safety-Related Defect notification, please contact your customer support manager.

Sincerely,

Daniel Theriault  
Director, Field Service
