NHTSA RECALL NO. 24V564

Mr. Customer
Transit Bus Agency

Plattsburgh, NY, USA 12901

September 17th, 2024

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Nova Bus (US) Inc. has decided that certain Nova Bus models LFS and LFS Artic and Model Years 2019 to 2023 manufactured from February 2019 to April 2023 equipped with the polycarbonate driver shield glazing rated AS-5 that fail to conform to Federal Motor Vehicle Safety Standard No. 205; Glazing materials.

The affected vehicles may have been manufactured with a driver shield glazing that is non-compliant to FMVSS 205. The glazing made of rigid plastic is classified AS-5 as per ANSI/SAE Z26.1-1996. The use of this class of rigid plastic in areas required for driving visibility does not comply with ANSI/SAE Z26.1-1996 and therefore FMVSS 205 S5.1. The use of an AS-5 rigid plastic in areas required for driving may impair driver's visibility and increase the risk of a crash.

The service document explaining the measures to be taken to remedy the affected vehicles will be published on Nova Bus web site <https://us.novabus.com/customer-portal/>. However, the corrective measure is not yet finalized. We will notify you again when the remedy is ready. Nova Bus (US) Inc. will cover the parts and labour costs of the repair according to the warranty claim policies in effect. Federal law requires that you forward a copy of this safety recall notice to the lessee within 10 days.

After contacting your customer support manager, if you are still not able to have the Safety-Related Defect remedied without charge and within reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov> .

Safety is important to us, and we apologize for any inconvenience this situation may cause. Thank you for your attention to this important matter and we look forward to remedy your vehicle. Sincerely,

Daniel Theriault
