Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the United States' *National Traffic and Motor Vehicle Safety Act*. Forest River has decided that certain 2009-2017 Georgetown Class A Recreational Vehicles fail to comply with the requirements of *Federal Motor Vehicle Safety Standard 108 "Lamps, reflective devices and associated equipment"*.

WHAT IS THE NONCOMPLIANCE?

The amber turn signal lense does not have the adequate reflective surface area to meet the requirements of FMVSS 108.

EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.

If the turn signal lamp does not meet the FMVSS 108 standards, the turn signal may not be conspicuous to a motorist. The condition may lead to a crash.

WHAT SHOULD YOU DO?

The remedy is currently under development. A second notice will follow once the remedy is available.

WHAT IF YOU NO LONGER OWN THIS VEHICLE?

If you no longer own this vehicle and have the address for the current owner, please forward this letter to the new owner within 10 working days after the day in which the notice is received. You have received this letter because government regulations require that a notification is sent to the last known owner of record. Our records indicate that you are the current owner.
