

24E001 Attachment: Product Identification 49 CFR 573.6 (c)(2) and
Component 49 USC 30119

All Part Names are “Brake Rotor”.

There is not a separate “component”. The part of the brake rotor with the failure is the heat dam joining the rotor hat to the rotor. Again, there is only one product and one part, which are all manufactured as a single unit, shown here:
