Recall notice issued to:

[REDACTED]

Vehicle information:

VIN [REDACTED]

2016 JEEP WRANGLER UNLIMITED SPORT 4X4

Recall information: 27B/NHTSA 24V-196

Visit recalls.mopar.com for more information or call the FCA US Recall Team at
1-800-853-1403

Details of the Recall

The clockspring on your vehicle may have been built with a design that can allow dust or dirt to enter the mechanism when exposed to certain environmental conditions, which can cause a clockspring failure. A failed clockspring will prevent driver airbag deployment in certain crashes, which can increase the risk of injury.

FCA will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the clockspring, steering wheel back cover, and steering column shroud. The estimated repair time is one hour to complete. However, additional time may be necessary depending on service schedules.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge, RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
