Forest River is recalling the defective model(s) to ensure the safety of our future retail consumers and your dealership. Forest River is issuing a Stop Sale Notice effective immediately.

DEFECT/NONCOMPLIANCE:

The incorrect length of screw used to prep the installation of the microwave was used by manufacturing. This screw was the incorrect length and penetrated the internal microwave compartment.

EVALUATION OF RISK:

The presents of the screws in the microwave cabinet may lead to arcing, which may lead to a fire. This may result in a fire and injury.

SERVICE PROCEDURE:

The remedy is currently under development. A second notice will be issued once the remedy is available.
