IMPORTANT SAFETY RECALL

CALL NOW TO SCHEDULE YOUR FREE REPAIR.

1 WHY HAVE YOU RECEIVED THIS NOTICE?

In March 2025, owners of select 2022-2024 Hayabusa (GSX-1300R) motorcycles were notified of an important safety recall campaign to replace the front brake master cylinder body and brake fluid cap diaphragm. An additive in the diaphragm can affect the brake fluid and cause the rubber parts inside the master cylinder to swell. This could result in the brake lever requiring greater than normal travel in the application of the front brake.

2 WHAT SHOULD YOU DO?

Please make an appointment to have your vehicle repaired **free of charge** at any Suzuki Dealer. If you have the recall repair completed on your Hayabusa no later than September 30, 2025, your Suzuki Dealer will provide you with a free maintenance inspection and oil change using Suzuki ECSTAR Oil. Towing reimbursement is also available up to a maximum of \$300 until Dec. 31, 2025, with certain limitations. For details, contact Suzuki Customer Service.

To locate your nearest Suzuki dealer, go to www.suzukicycles.com and click on Find a Dealer at the top of the web page.

OPERATING YOUR MOTORCYCLE WITHOUT THE REPAIR BEING DONE MAY CAUSE EXTENDED STOPPING DISTANCE, INCREASING THE RISK OF A CRASH.

We care about your safety and ask that you immediately make arrangements to have this **FREE** repair performed.

Thank you for being a Suzuki Customer.

Suzuki Motor USA, LLC

To find the nearest Suzuki Dealer, scan the QR code above, or go to www.suzukicycles.com and click on **find a dealer** at the top of the web page.
