Dear Model G Owners,

Brinkley RV has decided that a defect, which relates to motor vehicle safety, exists in certain Brinkley RV Model G toy haulers.

We are conducting a Recall Campaign to address this concern for all Model G units within the following VIN ranges: (Last 6 digits): 000004 – 000205, 000207-000209, 000211-000325, 000327-001383

WHAT IS THE DEFECT/NONCOMPLIANCE?

It has been decided that solar panels on the vehicles in the recall population were wired in such a way that, in certain circumstances, the electric current from the system can exceed the sustainable capacity of certain components downstream of the panels.

**EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S)
RELATED TO THE RECALL:**

When maximum power is provided by the panel array, and consumed by the RV systems, the electric current produced can exceed the sustained capacity of the system immediately downstream of the panels. In certain circumstances, this can lead to failure of electric components, increasing the risk of fire.

WHAT ARE BRINKLEY RV AND OUR DEALERSHIPS GOING TO DO?

Brinkley RV is notifying dealerships of the recall. You may have the recall corrected at any Brinkley RV dealership, however, it is preferable for you to have your selling dealership perform the remedy. To locate a dealer near you, please visit www.brinkleyrv.com/dealer-locator. Brinkley RV will completely cover your costs for the remedy. You will not receive any bill of sale for anything covered under the above recall number.

WHAT SHOULD YOU DO?

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The remedy is to remove and replace the potentially affected solar wiring and wire connections. The vehicle Owner is responsible for arranging to have the work completed. Please state that you have been notified by Brinkley RV of having a recall in process for your vehicle and provide the recall number to the dealership. It is also helpful to the dealership to have a copy of this letter with you when you take your vehicle in for the recall remedy. You may also contact Brinkley Customer Care directly for assistance in facilitating the remedy. Brinkley Customer Care can be reached by phone at (574)501-4280 or via email at CustomerCare@BrinkleyRV.com.

HOW LONG WILL THE REMEDY PROCESS TAKE?

The estimated time of repair is 2.0 hrs. The dealership may need to keep your vehicle or schedule your appointment at a later date to fit into their regular service schedule.

At Brinkley, our #1 priority is customer safety and satisfaction. We strive to create a product with as few defects as possible. When issues do arise, we strive to remedy those issues as quickly as possible, and we fully stand behind our products. We sincerely appreciate you choosing Brinkley RV and putting

your faith in us and we are here to support you. Please do not hesitate to contact us if you have questions, concerns, or require assistance in facilitating the remedy. We apologize for any inconvenience this issue causes to you and your family.

Sincerely,

Brinkley Care
