IMPORTANT SAFETY RECALL

CALL NOW TO SCHEDULE YOUR FREE REPAIR.

1 WHY HAVE YOU RECEIVED THIS NOTICE?

In January 2025, owners of select 2023-2025 Burgman 400 (AN400AM3-M5) scooters were notified of an important safety recall involving the improper installation of the fuel pump. Bending of the metal pipe portion of the hose may have occurred, placing the fuel supply hose at risk of contact with the fuel vapor hose. If contact occurs, the fuel supply hose can be abraded. In the worst case, the fuel supply hose can be abraded sufficiently to cause a fuel leak from the hose. If fuel leaks from the fuel supply hose, the risk of fire is increased.

2 WHAT SHOULD YOU DO?

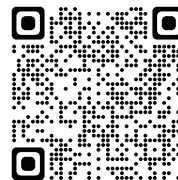

Please make an appointment to have your vehicle repaired **free of charge** at any Suzuki Dealer. Your Suzuki dealer will replace the fuel pump supply hose and related parts with new parts. The repair will take approximately 90-minutes to perform. To locate your nearest Suzuki dealer, go to www.suzukicycles.com and click on Find a Dealer at the top of the web page.

OPERATING YOUR MOTORCYCLE WITHOUT THE REPAIR BEING DONE MAY CAUSE A FUEL LEAK AND THE INCREASED RISK OF A FIRE.

We care about your safety and ask that you immediately make arrangements to have this **FREE** repair performed.

Thank you for being a Suzuki Customer.

Suzuki Motor USA, LLC

To find the nearest Suzuki Dealer, scan the QR code above, or go to www.suzukicycles.com and click on **find a dealer** at the top of the web page.
