Subject: Choking Hazard from Foam in Child Seat Headrest

Dear Lawrence Buonomo:

This letter serves to acknowledge Evenflo Company, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Manufacturer/Model Name/Model Number:

EVENFLO/REVOLVE360 SLIM
EVENFLO/GOLD REVOLVE360 SLIM

Mfr's Report Date: September 25, 2025

NHTSA Campaign Number: 25C010

Components:

CHILD SEAT:MATERIAL/PADDING
CHILD SEAT:SHELL:HEADREST

Potential Number of Units Affected: 324,997

Problem Description:

Evenflo Company, Inc. (Evenflo) is recalling certain Gold Revolve360 Slim and Revolve360 Slim child seats manufactured between December 1, 2022 and December 8, 2024. Please refer to Evenflo's recall report for specific model and color information. The headrest foam is not adequately secured away from the child, which can allow the child to pick off pieces of foam.

Consequence:

Pieces of foam can present a choking hazard to a child, increasing the risk of injury.

Remedy:

Evenflo will mail owners additional tape seal and installation instructions, free of charge. Owner notification letters are expected to be mailed October 31, 2025. Owners may contact Evenflo customer service at 1-800-233-5921.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Evenflo Company, Inc.'s contact for this recall will be Emily Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
