Subject: Loss of Drive Power from Damaged Cables

Dear Michelle Jongkind:

This letter serves to acknowledge Honda (American Honda Motor Co.)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ACURA/ZDX/2024

Mfr's Report Date: January 16, 2025

NHTSA Campaign Number: 25V-018

Components:

ELECTRICAL SYSTEM:PROPULSION SYSTEM: CABLES
ELECTRICAL SYSTEM:PROPULSION SYSTEM:TRACTION BATTERY:THERMAL
MANAGEMENT:HOSES, FITTINGS, AND RESERVOIR
SUSPENSION:FRONT:STABILIZER BAR

Potential Number of Units Affected: 118

Problem Description:

Honda (American Honda Motor Co.) is recalling certain 2024 Acura ZDX vehicles. The front passenger stabilizer bar bracket bolts may become loose and detach from the frame, which can damage the high voltage cables or EV battery coolant lines.

Consequence:

Damaged high voltage cables or EV battery coolant lines can cause a loss of drive power, increasing the risk of a crash.

Remedy:

Dealers will inspect and tighten the bolts, and repair the stabilizer bar and bracket, high voltage cables, and EV battery coolant lines as necessary, free of charge. Owner notification letters are expected to be mailed February 21, 2025. Owners may contact Honda's customer service at 1-888-234-2138. Honda's number for this recall is KKY.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Honda (American Honda Motor Co.)'s contact for this recall will be Debora Crews who may be reached by email at debora.crews@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
