Makes/Models/Model Years:
VOLKSWAGEN/GTI/2022-2024

Mfr's Report Date: February 19, 2025

NHTSA Campaign Number: 25V-103

Components:
BACK OVER PREVENTION:SOFTWARE

Potential Number of Units Affected: 8,237

Problem Description:

Volkswagen Group of America, Inc. (Volkswagen) is recalling certain 2022-2024 Golf GTI vehicles. A software error may delay or deactivate the rearview camera image, resulting in the rearview camera image not displaying as intended. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

Consequence:

A rearview camera that does not display an image can reduce the driver's rear visibility, increasing the risk of a crash.

Remedy:

Dealers will update the camera control unit software, free of charge. Owner notification letters are expected to be mailed April 11, 2025. Owners may contact Volkswagen customer service at 1-800-893-5298. Volkswagen's number for this recall is 91SB.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 888-327-4236 (TTY 888-275-9171) or go to [nhtsa.gov](https://www.nhtsa.gov).

We have received Volkswagen's proposed owner notification letter and it is approved for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
