Mr. Tom Single
Assistant Director
Ford Motor Company
330 Town Center Drive
Suite 500
Dearborn, MI 48126

NEF-107DG
25V-123

Subject: Instrument Panel Not Illuminated/FMVSS 101

Dear Mr. Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FORD/MAVERICK/2022-2023

Mfr's Report Date: February 28, 2025

NHTSA Campaign Number: 25V-123

Components:

ELECTRICAL SYSTEM: INSTRUMENT CLUSTER/PANEL

Potential Number of Units Affected: 933

Problem Description:

Ford Motor Company (Ford) is recalling certain 2022-2023 Maverick Hybrid vehicles previously repaired incorrectly under recall number 24V-140. The instrument panel cluster may not properly illuminate warning lights or gauges. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 101, "Control and Displays," and 102, "Transmission shift position sequence, starter interlock, and transmission braking effect" as well as FMVSS numbers 105, 108, and 208.

Consequence:

An instrument panel that does not illuminate critical safety information, such as the speedometer or warning lights, can increase the risk of a crash.

Remedy:

Dealers will update the instrument panel cluster software, free of charge. Owner notification letters are expected to be mailed April 14, 2025. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 25C06.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 888-327-4236 (TTY 888-275-9171) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at dusty.gardner@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
