25V-180

Subject: Incorrect Tire Inflation Information/FMVSS 110

Dear Mr. Van Bronkhorst:

This letter serves to acknowledge Winnebago Towable's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

WINNEBAGO/ACCESS/2025
WINNEBAGO/VOYAGE/2025

Mfr's Report Date: March 21, 2025

NHTSA Campaign Number: 25V-180

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 70

Problem Description:

Winnebago Towable (Winnebago) is recalling certain 2025 Access and Voyage travel trailers. The tire inflation information listed on the federal placard is incorrect. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

Incorrect tire inflation information can result in improperly inflated tires and cause tire failure, increasing the risk of a crash.

Remedy:

Winnebago will mail corrected labels, free of charge. Owner notification letters are expected to be mailed April 30, 2025. Owners may contact Winnebago customer service at 1-574-825-5280 Ext. 5220. Winnebago's number for this recall is CAM0000042.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 888-327-4236 (TTY 888-275-9171) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Winnebago Towable's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
