Subject: Struts Inadequate to Support Fold-Down Patio

Dear Denny Holmes:

This letter serves to acknowledge Keystone RV Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

KEYSTONE/KODIAK/2025

Mfr's Report Date: May 1, 2025

NHTSA Campaign Number: 25V-283

Components:

STRUCTURE:FRAME AND MEMBERS

Potential Number of Units Affected: 70

Problem Description:

Keystone RV Company (Keystone) is recalling certain 2025 Kodiak 2900FKSP and 308BHSL travel trailers. The struts may not support enough of the fold-down patio's weight while being raised or lowered.

Consequence:

The operator may be unable to handle the patio's weight, increasing the risk of injury.

Remedy:

Dealers will affix a warning label, install bolts, and replace the struts, free of charge. Owner notification letters are expected to be mailed June 22, 2025. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 25-465.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Keystone's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Keystone RV Company's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
