Tom Single  
Ford Motor Company  
330 Town Center Drive  
Suite 500  
Dearborn, MI 48126

**Subject:** Deactivated Electronic Stability Control/FMVSS 126

Dear Tom Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FORD/F-150 LIGHTNING BEV/2022-2023

**Mfr's Report Date:** May 09, 2025

**NHTSA Campaign Number:** 25V313

**Components:**

ELECTRONIC STABILITY CONTROL (ESC)

**Potential Number of Units Affected:** 6

**Problem Description:**

Ford Motor Company (Ford) is recalling certain 2022-2023 F-150 Lightning vehicles previously repaired incorrectly under recall number 23V801. The SYNC software may fail to activate the electronic stability control (ESC) system at the beginning of each ignition cycle. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 126, "Electronic Stability Control Systems."

**Consequence:**

Failure to reset the ESC to active may result in the driver unknowingly operating the vehicle without electronic stability control, increasing the risk of a crash.

**Remedy:**

Dealers will update the Accessory Protocol Interface Module (APIM) software, free of charge. Owner notification letters are expected to be mailed June 9, 2025. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 25C15.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please ensure the following requirements are met:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at [dusty.gardner@dot.gov](mailto:dusty.gardner@dot.gov). We look forward to working with you.

Sincerely,

*Alex Ansley*
