Subject: Block Heater May Overheat and Cause Fire

Dear Tom Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LINCOLN/CORSAIR/2023, 2025
FORD/ESCAPE/2023-2025
LINCOLN/NAUTILUS/2024-2025
FORD/BRONCO SPORT/2025
FORD/MAVERICK/2025

Mfr's Report Date: May 23, 2025

NHTSA Campaign Number: 25V343

Components:

ELECTRICAL SYSTEM

Potential Number of Units Affected: 6,781

Problem Description:

Ford Motor Company (Ford) is recalling certain 2024-2025 Lincoln Nautilus, 2023-2025 Escape, 2023 Lincoln Corsair, 2025 Lincoln Corsair, Maverick, and Bronco Sport vehicles equipped with a 1.5L or 2.0L MPC engine and an engine block heater. The engine block heater may overheat when the vehicle is parked with the block heater plugged in.

Consequence:

An overheated engine block heater can increase the risk of a fire.

Remedy:

Dealers will replace the engine block heater element and inspect the electrical cord, replacing it if necessary, free of charge. Owner notification letters notifying owners of the safety risk are expected to be mailed June 6, 2025. Second letters will be mailed once the remedy is available, anticipated for 4th quarter 2025. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 25S52.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

We have received Ford's proposed owner notification letter and it is approved for distribution.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at dusty.gardner@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
