Dear Karen Blaesser:

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

CHRYSLER/PACIFICA/2024-2025

**Mfr's Report Date:** July 17, 2025

**NHTSA Campaign Number:** 25V471

**Components:**

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA  
EQUIPMENT:APPLIANCE:TV/RADIO/SPEAKERS

**Potential Number of Units Affected:** 21

**Problem Description:**

Chrysler (FCA US, LLC) is recalling certain 2024-2025 Chrysler Pacifica vehicles. The vehicles were built with an incorrect radio, which can cause the rearview camera image not to display. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rear Visibility."

**Consequence:**

A rearview image that does not display reduces the driver's view of what is behind the vehicle, increasing the risk of a crash.

**Remedy:**

Dealers replaced the radio, free of charge. All affected vehicles have been repaired. Owner notification letters are expected to be mailed August 7, 2025. Owners may contact Chrysler customer service at 800-853-1403. Chrysler's number for this recall is 57C.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
