Subject: Loss of Power Brake Assist

Dear Simon Andrew:

This letter serves to acknowledge Aston Martin The Americas's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ASTON MARTIN/VANQUISH/2025

Mfr's Report Date: August 20, 2025

NHTSA Campaign Number: 25V532

Components:

SERVICE BRAKES, HYDRAULIC:POWER ASSIST:ELECTRIC:CONTROL MODULE:SOFTWARE

Potential Number of Units Affected: 178

Problem Description:

Aston Martin is recalling certain 2025 Vanquish vehicles. The vacuum pump may not generate vacuum, resulting in a loss of power brake assist and decreased brake function.

Consequence:

A loss of power brake assist can extend the distance required to stop the vehicle, increasing the risk of a crash.

Remedy:

Aston Martin will update the ESP software for all affected vehicles, free of charge. Owner notification letters are scheduled to be mailed on September 8, 2025. Owners may contact Aston Martin customer service at 1-888-923-9988. Aston Martin's number for this recall is RA-06-2074

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Planned Notification Begin and End Dates Not Supplied

Amend the estimated date(s) for which your company will notify owners regarding this safety recall as required by (49 CFR 573.6 (c)(8)(ii), in an amended Part 573 Recall Report through the NHTSA Recalls Portal. Please ensure that the begin and end dates are within 60 days.

AMENDED 573 REQUIRED.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Aston Martin The Americas's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
