If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JEEP/WAGONEER S/2024-2025
DODGE/CHARGER/2024-2025

Mfr's Report Date: September 04, 2025

NHTSA Campaign Number: 25V574

Components:

POWER TRAIN:AUTOMATIC TRANSMISSION:INTERNAL:PARK PAWL

Potential Number of Units Affected: 75

Problem Description:

Chrysler (FCA US, LLC) is recalling certain 2024-2025 Dodge Charger and Jeep Wagoneer S electric vehicles. An incorrectly installed spring may cause the loss of the park function when the vehicle's gear selector is placed in the park (P) position, which can result in a vehicle rollaway. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 114, "Theft Protection and Rollaway Prevention."

Consequence:

A vehicle rollaway increases the risk of a crash.

Remedy:

Dealers will replace the electric drive module, free of charge. Owner notification letters are expected to be mailed September 25, 2025. Owners may contact Chrysler customer service at 800-853-1403. Chrysler's number for this recall is 63C. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning September 11, 2025.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
