Problem Description:

Jaguar Land Rover North America, LLC (Land Rover) is recalling certain 2023 Range Rover Evoque vehicles. Water may enter the rearview camera, which can cause the rearview camera image not to appear on the display or display a distorted image.

Consequence:

A rearview camera image that does not display can decrease the driver's visibility, increasing the risk of injury or crash.

Dealers will replace the rearview camera, free of charge. Interim letters notifying owners of the safety risk are expected to be mailed November 21, 2025. Additional letters will be sent once the remedy is

available. Owners may contact Land Rover's customer service at 800-637-6837. Land Rover's number for this recall is D053.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
