Subject: Incorrect Emergency Valve May be Damaged and Leak

Dear John Gabriel:

This letter serves to acknowledge Brenner Tank, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
BRENNER/TKQXFR/2026

Mfr's Report Date: October 10, 2025

NHTSA Campaign Number: 25V684

Components:
EQUIPMENT:MECHANICAL:CONTAINMENT:VALVE

Potential Number of Units Affected: 4

Problem Description:

Brenner Tank, LLC (Brenner Tank) is recalling certain 2026 TKQXFR tank trailers equipped with split rear impact guards. The incorrect emergency valve was installed. The valve may be damaged during a crash and leak.

Consequence:

Hazardous liquids may leak onto people near the tank, increasing the risk of injury.

Remedy:

Brenner Tank will replace the emergency valve, free of charge. Owners may contact Brenner Tank customer service at 1-800-558-8265.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Brenner Tank, LLC's contact for this recall will be Hensly Guerra who may be reached by email at hensly.guerra1@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
