**Subject:** Defective Latch May Prevent Door from Opening

Dear Scott Morris:

This letter serves to acknowledge Alexis Fire Equipment Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

ALEXIS FIRE EQUIPMENT/FIRE APPARATUS/2020-2025

**Mfr's Report Date:** October 16, 2025

**NHTSA Campaign Number:** 25V706

**Components:**

LATCHES/LOCKS/LINKAGES:DOORS:LATCH

**Potential Number of Units Affected:** 22

**Problem Description:**

Alexis Fire Equipment Company (Alexis Fire) is recalling certain 2020-2025 Pumper, 2024 Rescue, and 2020-2024 Tanker fire trucks built on Spartan chassis. The actuator lever arm in the Spartan cab door latch may bind or become wedged, preventing the door from opening.

**Consequence:**

A door that cannot be opened may trap occupants inside the vehicle, increasing the risk of injury.

**Remedy:**

Dealers will inspect and replace the door latches as necessary, free of charge. Owner notification letters are expected to be mailed October 27, 2025. Owners may contact Alexis Fire customer service at 1-309-482-6121.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Alexis Fire Equipment Company's contact for this recall will be Sarah Shiver who may be reached by email at [sarah.shiver@dot.gov](mailto:sarah.shiver@dot.gov). We look forward to working with you.

Sincerely,

*Alex Ansley*
