NHTSA Campaign Number: 25V722

Components:

EXTERIOR LIGHTING:HEADLIGHTS

Potential Number of Units Affected: 10,008

Problem Description:

Maserati North America, Inc. (Maserati) is recalling certain 2024-2025 Grancabrio, 2024-2025 Granturismo, and 2023-2025 Grecale vehicles. The headlights may be missing adjustment prevention caps, which can allow the headlights to be improperly adjusted. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamp, Reflective Devices and Associated Equipment."

Consequence:

Improperly aimed headlights can result in insufficient illumination of the road, reducing the driver's visibility, and increasing the risk of a crash.

Remedy:

Maserati North America will inspect and, if necessary, install one or two caps to cover the horizontal headlight aim adjustment mechanism, free of charge. Owner notification letters are expected to be mailed December 12, 2025. Owners may contact Maserati customer service at 877-696-2737. Maserati's number for this recall is 805. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning October 28, 2025.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.
