Mfr's Report Date: October 30, 2025

NHTSA Campaign Number: 25V743

Components:

EQUIPMENT:RECREATIONAL VEHICLE/TRAILER

Potential Number of Units Affected: 144

Problem Description:

Jayco, Inc. (Jayco) is recalling certain 2026 Entegra Cornerstone Reserve, 2025-2026 Cornerstone, Aspire, and Anthem recreational vehicles. The slide-out room can be deployed without the parking brake engaged, allowing the room to extend while the vehicle is in motion.

Consequence:

A slide-out room that extends unexpectedly increases the risk of a crash.

Remedy:

Dealers will inspect and replace the slide-out motors as necessary, free of charge. Owner notification letters are expected to be mailed December 19, 2025. Owners may contact Jayco customer service at 1-800-283-8267. Jayco's number for this recall is 9903642.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Jayco, Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,
