Anthony Alexander
Remote Vans

Subject: Optional Equipment and Max Occupancy May Overload Motorhome/FMVSS 110

Dear Anthony Alexander:

This letter serves to acknowledge Remote Vans's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

REMOTE VANS/AEGIS/2025
REMOTE VANS/OASIS/2025

Mfr's Report Date: October 30, 2025

NHTSA Campaign Number: 25V747

Components:

EQUIPMENT:OTHER:LABELS
FUEL SYSTEM, DIESEL:STORAGE:TANK ASSEMBLY

Potential Number of Units Affected: 46

Problem Description:

Remote Vans is recalling certain 2025 Aegis and Oasis motorhomes. Optional equipment may cause the motorhome to exceed Gross Vehicle Weight Rating (GVWR) when carrying the maximum number of occupants. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims" and 49 CFR Part 567, "Certification."

Consequence:

An overloaded motorhome increases the risk of a crash.

Remedy:

Dealers will replace the extended range fuel tank with a standard fuel tank and remove the skid plates and expedition box on Aegis motorhomes and issue new OCCC labels, free of charge. For Oasis vehicles, dealers will replace the fuel tank and issue new OCCC labels, free of charge. Owner

notification letters are expected to be mailed November 2025. Owners may contact Remote Vans customer service at 1-513-201-7553.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Dealer Notification Not Supplied / Dealer Notification Date Missing

Provide a copy of the recall notification issued to your dealers as required by 49 CFR §577.13. Any communications issued to your dealers must be submitted through the NHTSA Recalls Portal along with their issuance date. If you do not have a dealer network, please indicate No Dealers using the checkbox on an amended 573 report.

AMENDED 573 REQUIRED.

Planned Notification Begin and End Dates Not Supplied

Provide the estimated date(s) for which your company will notify owners regarding this safety recall as required by (49 CFR 573.6 (c)(8)(ii), in an amended Part 573 Recall Report through the NHTSA Recalls Portal. If there are no owners involved in this recall, please indicate No Owners using the checkbox on an amended 573 report.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Remote Vans's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
