Subject: Passenger Seat Belt Anchor May Fail/FMVSS 210

Dear Corey Martin:

This letter serves to acknowledge Volvo Trucks North America's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
VOLVO/VAH/2019-2026

Mfr's Report Date: November 03, 2025

NHTSA Campaign Number: 25V753

Components:
SEAT BELTS:FRONT:ANCHORAGE

Potential Number of Units Affected: 242

Problem Description:

Volvo Trucks North America (Volvo Trucks) is recalling certain 2019-2026 VAH trucks. The passenger seat belt anchor may fail due to inadequate floor reinforcement. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 210, "Seat Belt Assembly Anchorages."

Consequence:

A seat belt anchor that fails will not properly restrain an occupant in a crash, increasing the risk of injury.

Remedy:

Dealers will install a new weld nut and washer, free of charge. Owner notification letters are expected to be mailed January 2, 2026. Owners may contact Volvo Trucks' customer service at 1-800-528-6586.

Volvo Trucks' number for this recall is RVXX2510. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning November 10, 2025.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Volvo Trucks North America's contact for this recall will be Debora Crews who may be reached by email at debora.crews@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
