Subject: Generator Fuel Lines May Have Been Incorrectly Installed

Dear Denny Holmes:

This letter serves to acknowledge Keystone RV Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

KEYSTONE/VOLTAGE/2024-2026

Mfr's Report Date: November 10, 2025

NHTSA Campaign Number: 25V771

Components:

EQUIPMENT:ELECTRICAL:ACCESSORY GENERATOR

Potential Number of Units Affected: 125

Problem Description:

Keystone RV Company (Keystone) is recalling certain 2024-2026 Voltage recreational trailers. The generator fuel lines may have been incorrectly installed, feeding fuel into the incorrect side of the carburetor.

Consequence:

Incorrectly installed fuel lines increases the risk of a fire.

Remedy:

Dealers will inspect and reroute the fuel line as necessary, free of charge. Owner notification letters are expected to be mailed January 1, 2026. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 25-475.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Keystone RV Company's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
