Subject: Loss of Vehicle Stability Control and Brake Power Assist

Dear Tom Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FORD/ESCAPE/2025
FORD/MAVERICK/2025

Mfr's Report Date: November 14, 2025

NHTSA Campaign Number: 25V787

Components:

SERVICE BRAKES, HYDRAULIC:POWER ASSIST
ELECTRONIC STABILITY CONTROL (ESC)

Potential Number of Units Affected: 2

Problem Description:

Ford Motor Company (Ford) is recalling certain 2025 Maverick and Escape vehicles. The cover for the electric brake booster's ECU may cause the printed circuit board to overheat and result in a loss of vehicle stability control systems (anti-lock braking, electronic stability control, and traction control) or a loss of brake power assist.

Consequence:

Loss of vehicle stability control or brake power assist can increase the risk of a crash.

Remedy:

Dealers will replace the electric brake booster, free of charge. Owner notification letters are expected to be mailed on November 24, 2025. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 25SC6. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on November 17, 2025.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at dusty.gardner@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
