**Makes/Models/Model Years:**

HYUNDAI/SANTA FE/2024-2025

HYUNDAI/SANTA FE HYBRID/2024-2025

**Mfr's Report Date:** November 20, 2025

**NHTSA Campaign Number:** 25V808

**Components:**

BACK OVER PREVENTION:DISPLAY FUNCTION

**Potential Number of Units Affected:** 143,472

**Problem Description:**

Hyundai Motor America (Hyundai) is recalling certain 2024-2025 Santa Fe and Santa Fe Hybrid vehicles. The rearview camera may not have been installed properly, which can damage the wiring harness and cause the rearview camera image not to display. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rear Visibility."

**Consequence:**

A rearview image that does not display reduces the driver's view behind the vehicle, increasing the risk of a crash.

**Remedy:**

Dealers will replace the rearview camera and reposition the wiring harness, free of charge. Owner notification letters are expected to be mailed January 19, 2026. Owners may contact Hyundai customer service at 1-855-371-9460. Hyundai's number for this recall is 288. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on November 22, 2025.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Hyundai Motor America's contact for this recall will be Emily Smith who may be reached by email at [emily.c.smith@dot.gov](mailto:emily.c.smith@dot.gov). We look forward to working with you.
