Dear James Triana:

Makes/Models/Model Years:

FORETRAVEL/REALM/2020-2022
FORETRAVEL/REALM 450/2022

Mfr's Report Date: November 24, 2025

NHTSA Campaign Number: 25V813

Components:

SEATS

Potential Number of Units Affected: 7

Problem Description:

Foretravel, Inc. (Foretravel) is recalling certain 2020-2022 Realm and 2022 Realm 450 vehicles. The pedestal mounting plate may have been improperly welded, causing the plate to separate and the seat assembly to loosen or detach. As such, these seat assemblies fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) numbers 207, "Seating Systems" and 210, "Seat Belt Assembly Anchorages."

Consequence:

A loose or detached seat assembly may not restrain the occupant as intended, increasing the risk of injury during a crash.

Remedy:

Dealers will inspect for a missing weld and replace the pedestal seat as necessary, free of charge. Owner notification letters are expected to be mailed December 2, 2025. Owners may contact Foretravel customer service at 1-800-955-6226.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Reimbursement Plan Not Supplied

Provide a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of your company's notification of owners, purchasers, and dealers, in accordance with 49 CFR 573.13. Your company's plan may incorporate by reference a general reimbursement plan previously submitted to NHTSA, together with information specific to the individual recall. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (49 CFR 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the reimbursement section of an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
