**Subject:** High Voltage Battery May Catch Fire

Dear Chris Sandvig:

This letter serves to acknowledge Volkswagen Group of America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

VOLKSWAGEN/ID.4/2023-2024

**Mfr's Report Date:** December 03, 2025

**NHTSA Campaign Number:** 25V836

**Components:**

ELECTRICAL SYSTEM:PROPULSION SYSTEM:TRACTION BATTERY

**Potential Number of Units Affected:** 311

**Problem Description:**

Volkswagen Group of America, Inc. (Volkswagen) is recalling certain 2023-2024 ID.4 vehicles. The high voltage (HV) battery cell modules may contain misaligned electrodes that can result in a battery fire.

**Consequence:**

A vehicle fire while parked or driving can increase the risk of injury.

**Remedy:**

Owners are advised to park outside immediately after charging and not leave their vehicles charging indoors overnight until the recall repair is complete. Also, owners are advised not to use Level 3 DC chargers and to limit the maximum charge of the battery to 80% until the remedy has been completed. Dealers will replace the high voltage battery cell modules as necessary, free of charge. Owner notification letters are expected to be mailed January 30, 2026. Owners may contact Volkswagen

customer service at 1-800-893-5298. Volkswagen's number for this recall is 93EV. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on December 5, 2025.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Volkswagen Group of America, Inc.'s contact for this recall will be Dusty Gardner who may be reached by email at [dusty.gardner@dot.gov](mailto:dusty.gardner@dot.gov). We look forward to working with you.

Sincerely,
