Subject: Front or Rear Wheel May Lock Up

Dear Zoila Turley:

This letter serves to acknowledge Ducati North America's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

DUCATI/STREETFIGHTER/2025-2026
DUCATI/PANIGALE V2/2025

Mfr's Report Date: December 05, 2025

NHTSA Campaign Number: 25V838

Components:

ELECTRICAL SYSTEM:WIRING:FUSES AND CIRCUIT BREAKERS

Potential Number of Units Affected: 1,016

Problem Description:

Ducati North America (Ducati) is recalling certain 2025 Panigale V2 and 2025-2026 Ducati Streetfighter V2 motorcycles. The fuses for the ABS pump and control unit may have been reversed during assembly, which can cause an ABS malfunction and possibly result in wheel lockup.

Consequence:

Front or rear wheel lockup can cause a loss of motorcycle control, increasing the risk of a crash or injury.

Remedy:

Dealers will inspect the fuses and fuse holders, and repair them as necessary, free of charge. Owner notification letters are expected to be mailed January 26, 2026. Owners may contact Ducati customer

service at 1-888-391-5446. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning December 15, 2025. Ducati's number for this recall is SRV-RCL-25-004.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ducati North America's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
