**Subject:** Rearview Camera Image May Not Display/FMVSS 111

Dear Diego Ramos Reis:

This letter serves to acknowledge Lamborghini (Automobili Lamborghini)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

LAMBORGHINI/URUS/2019-2024

**Mfr's Report Date:** December 21, 2025

**NHTSA Campaign Number:** 25V903

**Components:**

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA

**Potential Number of Units Affected:** 10,554

**Problem Description:**

Lamborghini (Automobili Lamborghini) is recalling certain 2019-2024 Urus vehicles. A software error may deactivate the rearview camera image, resulting in the image not displaying. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

**Consequence:**

A rearview image that does not display reduces the driver's view behind the vehicle, increasing the risk of a crash.

**Remedy:**

Dealers will update the parking assist software, free of charge. Interim letters notifying owners of the safety risk are expected to be mailed February 9, 2026. Additional letters will be sent once the final

remedy becomes available. Owners may contact Lamborghini customer service at 1-866-681-6276. Lamborghini's number for this recall is L636-R.01.26.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
