**Makes/Models/Model Years:**  
NISSAN/ROGUE/2026

**Mfr's Report Date:** December 23, 2025

**NHTSA Campaign Number:** 25V912

**Components:**  
TIRES:TEMPORARY/EMERGENCY SPARE TIRE

**Potential Number of Units Affected:** 4,655

**Problem Description:**

Nissan North America, Inc. (Nissan) is recalling certain 2026 Rogue vehicles. The incorrect-size spare tire may have been installed, which does not match the tire size and inflation pressure information on the tire placard. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims."

**Consequence:**

Incorrect spare tire pressure information on the placard may lead to incorrect inflation of the spare tire, increasing the risk of a crash.

**Remedy:**

Dealers will inspect and replace the spare tire assembly as necessary, free of charge. Owner notification letters are expected to be mailed February 13, 2026. Owners may contact Nissan's

customer service at 800-647-7261. Nissan's number for this recall is PD180. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on January 6, 2026.

**Notes:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
