

**2025MY Telluride & 2026MY Sorento
Incorrect Spare Tire Installation
FMVSS 110 Noncompliance Basis of Safety Defect Determination 573.6(c)(6)**

October 16, 2025	Kia Georgia informs Kia North America (Kia NA) Safety Office that certain vehicles may have been equipped with an incorrect size spare tire. Kia NA Safety Office begins field data review while Kia Georgia investigates further.
October 24, 2025	<p>Kia Georgia confirms based on spare tire installation records that a total of 24 Telluride and 21 Sorento vehicles were equipped with a spare tire of an incorrect size on August 28, 2025.</p> <p>Kia NA evaluates potential noncompliance with the Federal Motor Vehicle Safety Standards (FMVSS) and concludes the difference between the spare tire’s actual size and size information on the Tire Information placard does not comply with Federal Motor Vehicle Safety Standard 110, §S4.3.</p> <p>Kia NA Safety Office completes field data analysis and finds no related reports.</p>
October 27, 2025	Kia NA decides to conduct an FMVSS 110 noncompliance recall of certain 2025MY Telluride and certain 2026MY Sorento vehicles. No accidents or injuries.
