Part 573 Safety Recall Report

25V447

Manufacturer Name: Shyft Group

Submission Date: Feb 17, 2026

NHTSA Recall No.: 25V447

Manufacturer Recall No.: 25-17

Manufacturer Information

Population

Manufacturer Name: Shyft Group

Address: 1541 Reynolds Road
Charlotte MI, 48813

Total number of potentially involved: 150

Estimated percentage with defect: 100%

Vehicle Information

Vehicle 1: 2024-2025 BLUE ARC BA4L-800

Product Category: Buses, Medium & Heavy Vehicles

Product Type: Other

Fuel / Propulsion: Electric Battery Power

Production Dates: Jul 26, 2024 - Apr 18, 2025

Number of potentially involved: 150

Descriptive Information:

All Blue Arc make vehicles are equipped with the brake calipers supplied by Akebono. Other vehicles are not equipped with those calipers.

Defect / Noncompliance Description

Description of the defect or noncompliance:

The brake caliper may an increased air gap causing the caliper to "stick" in position or not fully apply the brake during park brake applications.

FMVSS1:

FMVSS2:

Description of the safety risk, including crash, fire, death, injury:

If the warning is ignored, with an increased gap, the caliper may not hold the vehicle in place when the park brake is applied potentially resulting in a vehicle rollaway. If the brake caliper sticks, it could cause the park brake to remain partially applied. Both of which could increase the risk of a crash.

Part 573 Safety Recall Report

25V447**Description of the cause:**

A sub-supplier for the caliper used a larger spacer than required during the assembly of the caliper.

Identification of any warning that can occur:

The driver is warned for the condition by a diagnostic code being triggered on the vehicle's instrument cluster panel.

Component Manufacturer

Tier of Supplier: Tier 1**Supplier Type:** OEM**Name:** Akebono Brake Corporation**Address:** 300 Ring Road
Elizabethtown KY, 42701**Country:** United States

Involved Components

Component Name 1: Brake Caliper**Component Description:** Brake Caliper Assembly**Component Part Number:** 70002331/2

Chronology

On May 30, 2025, Akebono raised the issue with the brake calipers with Shyft. On June 13, 2025, Akebono asserted there is a recall being conducted on affected vehicles in Japan. On June 25, 2025, Shyft decided to conduct a voluntary recall for the affected vehicles equipped with suspect brake calipers in the US.

Related NHTSA Recall Number:

Description of Remedy

Remedy Type: Replace**Consumer Advisories:** Do Not Drive Park Outside

Part 573 Safety Recall Report

25V447

Description of remedy program:

Brake calipers will be replaced at no charge.

How remedy component differs from recalled component:

Remedied brake calipers will have the appropriate sized spacer.

Identify how/when recall condition was corrected in production:

Vehicles are not currently in production.

Reimbursement Plan

Description of reimbursement program:

Vehicles subject to this recall are within their original warranty period. Any claims received for this matter would be paid through normal warranty course.

Period of reimbursement:

Costs to be reimbursed:

Address for reimbursement claims:

Recall Schedule

Description of recall schedule:

Recall notification will be mailed on, or before, 7/11/2025. There are no dealers affected by this recall.

Planned Dealer Notification Date:

No Dealers

Planned Interim Owner Notification Date:

No Owners

Planned Remedy Owner Notification Date:

Phased Recall

Date when VIN will be searchable:
