Description of Remedy

Remedy Type: Repair, Inspect

Consumer Advisories: ☐ Do Not Drive ☐ Park Outside

Description of remedy program:

Maserati North America will conduct a voluntary safety recall on all affected vehicles to inspect and, if necessary, install one or two caps (based on the headlamp type) to cover the horizontal headlamp aim adjustment mechanism.

How remedy component differs from recalled component:

The recall is not related to part defect but rather an engineering issue where the caps were not released for production. The remedy is a cap to cover the headlamp aim adjustment hole.
