## Description of Remedy

**Remedy Type:** Inspect, Repair

**Consumer Advisories:**  Do Not Drive  Park Outside

**Description of remedy program:**

Autocar will voluntarily initiate an owner notification and recall of all affected vehicles. Autocar will distribute to owners of affected vehicles an Owner Notification Letter, which will describe the defect and provide instructions for scheduling the inspection/repair of the vehicle at no cost to the vehicle's owner. The owner letter will instruct vehicle owners who have paid to have this condition remedied prior to this campaign to seek reimbursement pursuant to Autocar's General Reimbursement Plan, on file with the agency pursuant to 49 C.F.R. 573.6(c)(8)(i) and 49 C.F.R 573.13.

**How remedy component differs from recalled component:**

The traction motor and inverter battery cable connections will be inspected and secured/repared at no cost to the owner.

**Identify how/when recall condition was corrected in production:**

A second inspection was implemented and a clean point established for production December 3, 2025.

## Reimbursement Plan

Manufacturer used general reimbursement plan on file.
