

SAFETY RECALL NOTICE

April 23, 2025

Dear Valued Retailer,

Dorel Juvenile Group, Inc. (Dorel) is preparing to conduct a voluntary safety recall of all fashions from all manufacture dates of the CC321 Safety 1<sup>st</sup> Grow and Go Sprint All-in-One Car Seat because it is possible for a child to access the headrest foam and break pieces off. While the foam is non-toxic, loose pieces of foam can present a choking hazard to a child, increasing the risk of injury. Dorel is not aware of any injuries or medical treatment required. Dorel is working with the National Highway Traffic Safety Administration (NHTSA) to announce the recall and provide a free replacement headrest pad to registered owners around mid-June 2025. The model numbers impacted by this recall are CC321GYU, CC321GYUD, CC321GYY, CC321GYYD, CC321HAO, CC321HAR as shown below:

CC321GYU  
CC321GYUD

CC321GYY  
CC321GYYD

CC321HAO

CC321HAR

If you have any stock of these model numbers, please remove from sale immediately and contact your Dorel Sales Representative with the owned stock details. Dorel will advise next steps once you share model numbers and quantities.

It is a violation of Federal Law to sell or deliver any of these products to consumers.

Dorel's purpose is to create a confident parenting journey that nurtures children into a meaningful future, striving for excellence, and caring for precious life.

Sincerely,

Tim Edwards  
Sr. Director, Regulatory Compliance
