Subject	STOP SALE NOTICE: 2018 - 2025 CB300R SAFETY RECALL					

April 1, 2025

Re: **STOP SALE NOTICE: 2018 - 2025 CB300R HEADLIGHT ASSEMBLY SAFETY RECALL**

Dear Honda Dealer:

Honda is issuing a **STOP SALE NOTICE** on **CERTAIN 2018 - 2025 CB300R motorcycles** to replace the headlight assembly due to a manufacturing defect, the headlight's internal circuitry may become damaged due to the road and engine vibrations experienced during normal operation. The headlight may begin to flicker and may eventually shut off. If the headlight does not remain on during normal operation, it can reduce the rider's visibility at night, prevent other traffic from seeing the motorcycle, and not comply with traffic laws requiring a motorcycle's headlight to remain on at all times, potentially increasing the risk of a crash or injury.

Effective immediately, you **MUST NOT SELL** any affected NEW or USED 2018 - 2025 CB300R motorcycle in your inventory until it is repaired, according to the associated Service Bulletin.
