GENERAL MOTORS

DCS 7307

URGENT - DISTRIBUTE IMMEDIATELY

Date: August 26, 2025

Subject: N242482680 - Safety Recall

Brake Pressure Switch Connector Fire

Models: 2019-2024 Chevrolet Silverado 4500HD/5500HD/6500HD

General Motors is releasing Safety Recall N242482680 today.

Until the recall remedy is performed, owners are advised to park their vehicles outdoors.

Vehicles involved in this recall were placed on a Stop Delivery Order on June 12, 2025. Parts are now available and VINs have been moved to "Open" status.

What Should Dealers Do: Dealers should review IVH or the Dealer Maxis reports for open VINs in their inventory. Dealers can view the attached bulletin and it will also be displayed in Service Information tomorrow.

The Stock VIN list of vehicles in dealer inventory is attached to this message. Note: this list is only accurate at the time of report creation and all VINs should be validated in IVH prior to repair.

For dealers with involved vehicles, a listing has been prepared and will be available through GM Global Connect Maxis Field Action Reports or GWM Field Action Batch Search Report. The Inventory tab of the dealer reports will contain VINs that apply to this field action. This information is intended to assist dealers with the **PROMPT COMPLETION** of these vehicles. The Customer In-Service tab will contain customer names and addresses from Motor Vehicle Registration Records. The use of such motor vehicle registration data for any purpose other than follow-up necessary to complete this field action may be a violation of law in several states.

Frequently Asked Questions Document (FAQs)

Attached to this message you will find a document that addresses the most likely questions customers may have regarding this Safety Recall. Please use this information as an aid to confidently answer customer concerns.
