

## DEALER COMMUNICATION

**Date:** August 8, 2025

**To:** All Winnebago Towable Dealers

**Subject:** **NHTSA Safety Recall 25V-408 Transport Canada Recall 2025-334**

**Issue:** Winnebago Towables has decided that a defect related to vehicle safety exists on certain 2025 Winnebago Micro Minnie and Micro Minnie FLX model series. These vehicles were manufactured **October 7, 2024** through **April 7, 2025**. There is potential when the cooktop and furnace are operated at the same time the cooktop burner flame may invert. This could lead to an increased risk of personal injury or fire.

**Affected Vehicles:**

MAKE	MODEL	MODEL YEARS
WINNEBAGO	MICRO MINNIE	2025
WINNEBAGO	MICRO MINNIE FLX	2025

Dealers that have stock units impacted by this recall can access the full list of affected VINs sold to their dealership by accessing the Winnebago Dealer Portal.

**Repair Information:** The repair will consist of installing a panel to provide full separation between the cooktop and furnace. Once parts have arrived, the repair instructions will be posted to the Winnebago Dealer Portal by the end of August.

**Owner Notification:** Winnebago Towables is mailing an INTERIM customer letter notifying owners mid-August and will send a second notification when the remedy is available.

**Dealer Responsibility** Do not deliver any subject trailer until corrective action has been taken. All vehicles subject to this campaign are to be serviced at no charge to the owners regardless of mileage, age of vehicle, or ownership from this time forward.

**Notes** **Important Reminder:** It is a violation of federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification until the noncompliance is remedied.

Please ensure all dealership personnel are aware of this notice so they are able to address customer questions. Contact Winnebago Towable Customer Care if you require additional assistance. Direct any press inquiries to Winnebago Public Relations.
