

IMPORTANT RECALL NOTIFICATION 25V-412

July 14th, 2025

VIN: XX

Recall Population Serial Numbers

*This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.*

Bontrager Outdoors has become aware that the smoke detector installed in model 2025 Bontrager 7ROD and Skinny Guy Camper 7LT campers built between July 30<sup>th</sup>, 2024 and May 16<sup>th</sup>, 2025 are not a combination detector for both smoke and Carbon Monoxide.

The repair is to install a new Carbon Monoxide detector. The new Carbon Monoxide detector will be shipped to the dealers with RVs affected by Bontrager Outdoors.

If you have a retail customer contact you to have the Carbon Monoxide detector installed in their affected RV, please contact [parts@bontrageroutdoors.com](mailto:parts@bontrageroutdoors.com) for an order to be processed and shipped to you at No Charge.

**Reason for the recall:** The smoke detector should be a Smoke/Carbon Monoxide detector.

**What we will do:** We will ship the new Carbon Monoxide detector to all dealers with affected RVs on their dealership lot. We will notify all retail customers with affected RVs and instruct them to contact their selling dealer to have the recall performed.

The repair will pay .2, the Operation Code is 1000003. Please submit the repair information on the dealer portal for payment.

Sincerely,

Brian Sutton

Bontrager Outdoors General Manager
