FOLLOW-UP NOTICE

ATTENTION: ALL DEALER PRINCIPALS

THIS IS A FOLLOW-UP NOTICE TO ADVISE THAT THE REMEDY PARTS ARE NOW AVAILABLE.

Kia America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Noncompliance Safety Recall Campaign on certain 2020-2022 MY Niro EV vehicles, equipped with Navigation and a 10.25-inch touchscreen display, manufactured from January 15, 2020 through March 29, 2022.

Due to damage from voltage surges in the rearview camera power circuit, the rearview camera may become inoperative and fail to display a rearview image while in reverse. As a result, the subject vehicles fail to comply with the rear visibility requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 111 "Rear Visibility", thereby increasing the risk of a crash.

Kia dealers will replace the rearview camera with an improved one with increased voltage surge protection.

Your Service Manager was sent a copy of the follow-up owner notification letter and a Q&A guide for recall questions both of which describe the issue and information on how to access the list of affected vehicles. Kia will start mailing follow-up notices to the affected vehicle owners beginning on **November 7, 2025**.
