GENERAL MOTORS

DCS7373

URGENT - DISTRIBUTE IMMEDIATELY

Date: November 7, 2025

Subject: REVISION: N252514930-01 - Safety Recall

Fire Risk During Fuel Fill

Additional VINs Moved to 'Open' Status in IVH

Models: 2023-2026 Chevrolet Corvette Z06 w/LT6 Engine

2025-2026 Chevrolet Corvette ZR1 w/LT7 Engine

This bulletin has been revised to announce that the remaining 2025 model year Chevrolet Corvette Z06 and ZR1, and certain 2024 model year Chevrolet Corvette Z06 vehicles have been placed in an "Open" status in IVH. Please discard all previous copies of bulletin N252514930.

THIS IS A PHASED LAUNCH.

Parts are available for the 2025-2026 model year Chevrolet Corvette Z06 and ZR1, and certain 2024 model year Chevrolet Corvette Z06 vehicles.

Parts are NOT available for 2023 model year Chevrolet Corvette Z06 and certain 2024 model year Chevrolet Corvette Z06 vehicles, and the status of these VINs remain as "Incomplete. Remedy Not Available". We will revise this bulletin as additional parts become available, and anticipate parts availability for all involved vehicles by the end of November 2025.

What Should Dealers Do: Dealers should review IVH, or the Dealer Maxis reports for open VINs in their inventory. Dealers can view the attached bulletin, and it will also be displayed in Service Information tomorrow.
