

IMPORTANT SAFETY RECALL

NHTSA Recall # 25V-554

Tiffin Recall # TIF-146

October 1, 2025

Incorrect Seatbelt Length

Dear Tiffin Motorhome Dealer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that certain 2025 GT1 Motorhomes built between June 21, 2024, and May 13, 2025, fail to conform to Federal Motor Vehicle Safety Standard No. 209, Seat Belt Assemblies.

Certain motorhomes do not have the correct length of buckle installed on the rear bench seat of the motorhome for the passenger's and driver's side seating position. These seatbelts cannot be buckled, and an incorrectly buckled seatbelt can lead to injury.

Tiffin Motorhomes will inspect and replace as needed the buckle portion of the rear driver's and passenger's side seatbelt.

Owners will be notified by mail about the recall and may take their motorhome to a reputable service center **OR** dealer of **their** choice to have the repair completed. Tiffin Motorhomes is allowing 1 hour for the repair to be completed. This recall repair will be completed at no charge to the owner of the motorhome.

Please verify the motorhome is involved in this recall **before** ordering parts or beginning the repair. To verify a motorhome's involvement in this recall, please visit our website, TiffinMotorhomes.com. Choose the "Dealer Login" page and click on "Vehicle Recall Lookup" and enter the complete 17-digit VIN number. No login or password is needed. To view work instructions, please click on "Flat Rate Manual" and choose "RECALLS" for Model and "RECALLS" for the Section, scroll down to the NHTSA recall number for the recall you are looking for and choose "Show Files" and then download the work instructions.

Parts should be ordered when the appointment for the installation is scheduled so that parts are ready at the dealership for the recall appointment. Owners will be able to verify that a replacement is needed since the buckle portion of the seatbelts are easily visible at the rear of the coach.

Please be reminded that it is a violation of Federal law for you to sell or lease any new Tiffin Motorhome covered by this notification until this recall has been performed on the motorhome. Substantial civil penalties apply to violations of this law.

We regret any inconvenience this action may cause but feel certain you understand our interest in motor vehicle safety.
