

**GPOP - Issue Review System**

**Part Number:** 68406314A\$, 68406315A\$, 68487596A\$, 68487597A\$

**Part Description:** MOLDING, Day Light Opening

**Issue Description:** As of October 30, 2025 the 77C recall inspection instructions were revised. Prior to ordering parts, please ensure the vehicle has been inspected to the latest recall procedure to determine whether 77C part replacement is necessary. It is possible a vehicle that failed inspection and needed a part according to the previous instructions may no longer need a part based on the newly revised inspection instructions.
