Kelly,

Per our conversation, please change the internal valves out to Betts CH46861SSTS on the four Rosen's trailers. The sales order is 47711\_10-40. The vins end in 679803 - 06. We have the correct valves in stock and will ship them to your attention. You should have all four valves by this Friday. Please use warranty number W6835 for the four trailers. If you have any questions let me know.

Thank you,  
Rick
