

## **New Safety Recall Advanced Communication – A7C**

FCA US LLC (FCA US) has announced a safety recall on certain 2023-2025 model year (JL) Jeep Wrangler 4XE Plug-in Hybrid Electric Vehicles (PHEV).

VINs identified as being involved in this campaign are currently live and searchable.  
**Stop sale is in effect for the above-identified vehicles.**

Vehicles impacted by a stop sale are eligible for reimbursement allowance through the Recall Floorplan Reimbursement Policy (RFPRP), which can be requested upon recall claim submission.

**IMPORTANT:** Some of the involved vehicles may be in dealer new vehicle inventory. Federal law requires you to complete this recall service on these vehicles before retail delivery. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,874 per vehicle. Involved vehicles can be determined by using the VIP inquiry process.

### **REASON FOR THIS SAFETY RECALL**

Some of the above vehicles may have been updated with Firmware Over-The-Air (FOTA) software which may cause incomplete communication between the Telematics Box Module (TBM) and the Hybrid Control Processor (HCP) which may cause the HCP to perform a reset. An HCP which resets while driving may cause a loss of motive power which can cause a vehicle crash without prior warning.

### **SERVICE ACTION**

FCA US LLC will conduct a voluntary safety recall. Final remedy under development. Interim corrective action to avoid loss of motive power was implemented using an update to the backend policy. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in 4th Quarter of 2025.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.

This notice applies to your vehicle,

#### DEALERSHIP INSTRUCTIONS

Please reference Safety Recall A7C.

# IMPORTANT SAFETY RECALL

## Loss of Drive Power

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain [2023-2025 model year (JL) Jeep Wrangler] 4XE Plug-in Hybrid Electric Vehicles (PHEV).

#### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle <sup>[1]</sup> may have been updated with Firmware Over-The-Air (FOTA) software which may cause incomplete communication between the Telematics Box Module (TBM) and the Hybrid Control Processor (HCP), this condition may cause the HCP to perform a reset. **An HCP which resets while driving may cause a loss of drive power which can cause a vehicle crash without prior warning.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

**The remedy for this condition is not currently available.** We are making every effort to finalize the remedy, and will service your vehicle free of charge (parts and labor) when the remedy is available.

FCA US LLC will contact you again, by mail, with a follow-up recall notice when the remedy is available. Once you receive your follow-up notice, simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment <sup>[2]</sup>. Additional options for your next steps are included on the left side of this notification. We appreciate your patience.

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](https://www.fcarecallreimbursement.com) to submit your reimbursement request online <sup>[3]</sup>. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
